Warranty

One-Year Limited Warranty

Hunter Products warrants that your 12V vehicle will be free from defects in materials and workmanship for the vehicle (except for the 12-volt battery) for a period of 12 months, from the date of purchase. This warranty only applies where the product is completely and correctly assembled and used in accordance with all accompanying recommendations and users instructions. This warranty is in addition to your rights under the Australia Consumer Law.

Hunter Products, at its option will provide you with a refund or replacement parts for this product if the 12V vehicle becomes defective within the warranty period.

Hunter Products will bear the reasonable expense of claiming the warranty. This warranty will no longer apply where the defect is a result of an accident, misuse, abuse, neglect or other causes not arising out of defects in materials or workmanship, nor does it cover damages arising out of damages arising out of service by other than an authorised service person.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Please retain your receipt as proof of purchase and contact Hunter Products for further assistance on how to process any warranty claims.
